Terms & Conditions for Group visits

The Yorkshire Air Museum welcomes group visits.

The Organiser takes responsibility for the conduct of the group whilst on site and there must be adequate adult supervision if children are members of the group.

The main hazards on our site are the risk of slips, trips and falls so orderly conduct is required at all times. There are significant risks in the hangars, due to low sharp edges and equipment **therefore aircraft / vehicle barriers MUST NOT be crossed unless specifically authorised and supervised by a member(s) of YAM staff.**

We request that, in general, and particularly if the NAAFI Restaurant facility is utilised, due consideration is given to our regular visitors and noise is kept to a minimum, over-boisterous and potentially hazardous activity is curtailed. This is an historic site and a Memorial to allied aircrews so should be treated with due respect and consideration.

Data Protection: We will use the information you share with us to carry out necessary administration of your booking and contact you only in relation to your booking. Your contact details will be confidentially deleted from our files once your visit is completed. We will only keep a record of your visit (name of group and number of visitors) for the purpose of our annual group visit data analysis only. At no point will this information be sold to third parties.
